20W Car Charging Adaptor (USB-C)  
Adaptateur de charge de voiture  
20 W (USB-C)

Model no: A-588

### Product Overview

This is a smart IC PD20W charging port. This car adaptor will detect the required rate of charge and automatically adjust the output to that of the device that's plugged in.

**Max Power:** 40W (20W per port).

### Product Specifications

Input	DC 12-24V
Output USB-C	PD3.0 (20W): 5V-3A, 9V-2.22A, 12V-1.67A
Total Power	40W
Size	50 x 25 x 25mm
Weight	18g

### Usage

- Use this product with your car's DC12-24V output socket.
- For optimal performance it is recommended that you use USB powered devices for charging.

### Notes

- Please do not use this car adaptor near open water or high temperatures. Ideal temperature for this product is 0-45°C.

- There may be a degree of heat during the use of this product. As long as the temperature does not exceed 60°C the product will operate as normal.
- Due to multiple different types of devices available, charging times may vary depending on the device. The adaptor will automatically adjust to charge as quickly as possible.
- Please keep away from children.

### Remarques

- Veuillez ne pas utiliser le chargeur à proximité d'eau libre ou de températures élevées. La température idéale pour ce produit est de 0 à 45°C.
- Il peut y avoir une certaine chaleur lors de l'utilisation de ce produit. Tant que la température ne dépasse pas 60°C, le produit fonctionnera normalement.
- En raison des nombreux types d'appareils disponibles, les temps de chargement peuvent varier en fonction de l'appareil. Le chargeur s'ajustera automatiquement pour charger le plus rapidement possible.
- Veuillez tenir hors de portée des enfants.

### Legal

This product is meant for use only in conjunction with the appropriate device. Please consult your

device packaging to determine whether this product is compatible with your particular device. Manufacturer is not responsible for any damages to any device incurred through the use of this product.

Manufacturer shall not in any way be liable to you or to any third party for any damages you or any third party may suffer as a result of use, intended or unintended, or misuse of this product in conjunction with any device or accessory other than the appropriate device for which this product is designed. Manufacturer will not be responsible for any damages you or any third party may suffer as a result of misuse of this product as outlined above. Purchaser agrees to defend, indemnify, and hold Manufacturer harmless for any claims of damages arising from unintended use or misuse, including use with an unintended device. Mous® is a trademark of Mous Products Ltd.

### FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced technician for help.

### IC Statement

Radio Standards Specification RSS-Gen, issue 5: This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

### IC Statement

This digital apparatus complies with CAN ICES-3(B)/NMB-3 (B).

### Déclaration IC

Spécification des normes radio RSS-Gen, numéro 5 : Cet appareil contient des émetteurs / récepteurs sans licence qui sont conformes aux RSS sans licence d'Innovation, Sciences et Développement économique Canada. Son fonctionnement est soumis aux deux conditions suivantes : (1) cet appareil ne doit pas provoquer d'interférences nuisibles, et (2) cet appareil doit accepter toute interférence reçue, y compris les interférences susceptibles de provoquer un fonctionnement indésirable.

### Déclaration IC

Cet appareil numérique est conforme à la norme CAN ICES-3(B)/NMB-3 (B).

### CE Declaration of Conformity

Hereby, Mous Products Ltd. declares that the product type A-588 is in compliance with Directive 2014/30/EU. The full text of the EU declaration of conformity is available at [www.mous.co](http://www.mous.co)

### Address of Manufacturer

Shenzhen LCF Technology Co., Ltd.  
2F, Building 1, NO.19 2nd Road Xinfu Xinqiao Shajing, Bao'an District, Shenzhen, Guangdong, China, 518100

### WEEE Declaration

This product is marked with the WEEE symbol; this indicates that this product must NOT be disposed of with other waste. Instead it is the user's responsibility to dispose of their waste electrical and electronic equipment by handing it over to an approved re-processor, or by returning it to Mous® for re-processing. For more information about where you can send your waste equipment for recycling, please visit [www.mous.co](http://www.mous.co)

### Warranty

At Mous®, we are dedicated to making high quality products that last. To give you peace of mind, this product is warranted for 1 year from the date of delivery. For full details regarding warranty terms and exclusions, please visit: [www.mous.co/warranty](http://www.mous.co/warranty). This warranty does not affect any statutory rights that you may be entitled to. Keep a copy of your purchase receipt as proof of purchase.
